

?I am delighted to announce Advantage Printer Consumables will be sponsoring Tom Ingram from Speed Works Motorsport for the forthcoming 2015 BTCC season. This is a lifetime ambition come true for me and I wish Tom & the team the best of luck for 2015?

Mr. Easthill owner of [Advantage Printer Consumables](#) and [Eashill Computer Services](#) said. ?I am sponsoring a car in the UK's 2nd biggest car motor sport, The British Touring Car Championship - BTCC. It's something I have followed for years so have quite an interest in. I have joined up with a mid table team called Speed Works and sponsoring their driver Tom Ingram. This is a massive privilege for me.?

Speedworks Motorsport is heading into the 2015 Dunlop MSA British Touring Car Championship confident about its chances of springing a surprise, after re-signing last year?s leading rookie Tom Ingram for a second consecutive campaign behind the wheel of its heavily revised Toyota Avensis.

Speedworks enters its fifth season in the immensely popular, ITV4 live-televised, all-action BTCC ? commonly regarded as the world?s premier and most fiercely-disputed tin-top series ? determined to finally claim its long-awaited breakthrough podium finish, after edging consistently closer to the front of the field. - <http://www.btcc.net>
